A Card of Thanks

The PTA

"The PTA is an organization that we can't get along without," said one little boy, and when you see these pictures, you'll understand why.

At the left children are enjoying library books.

Below in the panel you see the Merry-go-round, the swings, the high school water fountain, and the tennis court. All these things have been added in the last two or three years.

Let us remind you, too, that the PTA makes a donation of one hundred dollars to the annual. Over a period of a few years, this organization has given as much as \$1500 to the BULLDOG.
